Looking Back, Moving Forward

This educational will look at some of the changes, challenges and choices made since injury and then Investigate strategies used in moving forward. This educational will follow A Personal Futures Planning format designed for individuals with a Brain Injury with a focus on setting manageable goals moving forward.

Drop in

We encourage you to come by for coffee, a chat with others, to play a game of cards, work on the computer or access our resource room. We look forward to seeing you.
